Your safety is paramount, in order for you to get the most fun and enjoyment from our equipment please observe these instructions. If there is anything you don't understand or are unsure of please don't hesitate to ask.

Make sure all the protection supplied is being worn. Make sure that the helmet is being worn and is securely fitted onto the user's head, not too tight so as to choke but it shouldn't be loose or able to move around freely, it should be secure.

The Gladiator helmet is 'one size fits all'. This must be worn at all times.

The Gladiator bouncy bed should have plenty of clear space all around, at least 8ft spectators should be kept a similar distance away. When wrestlers fall they can easily fall or roll off the inflatable.

The wrestling event should be supervised by minimum of 1 responsible adult (over 18 years old & sober!).

If anybody refuses to wear the required safety equipment, then they can't use our equipment. You are fully responsible as the hirer for both the equipment and the participant, if it isn't supervised for any amount of time then it should be shut down and no-one allowed to use it until it can be supervised again!

The Gladiator equipment must be returned in an acceptable condition, i.e. clean, unsoiled and undamaged.

No eating, drinking, shoes, glasses, jewellery, buckles, key-rings, metal-studded clothing, pets, silly string, toys or other sharp instruments or similar items which could cause injury or damage allowed on the gladiator equipment at any time.

Remember, these are hired for fun, do not be overly aggressive or enthusiastic, hitting somebody excessively hard or body slamming them

is not advised, this won't improve your experience using them but may hurt somebody quite seriously. The idea of the game is to knock your opponent off the podium using the padded equipment supplied, not to beat or crush them as hard as you can.
